Dear Retailer,

Your loyal customer _____ is giving you this letter because she would like to purchase our collection from her favorite local shop.

Foot Petals products were created for those of us who have a love/hate relationship with our sexy shoes. Foot Petals provides virtually invisible cushions that make shoes more comfortable and stop annoying, painful issues - a fashion footwear solution that is not only stylish, but healthy, too.

Please visit our website, www.footpetals.com, or simply call us toll free at 1.866.TIPTOES (847-8637) to become a Foot Petals retailer.

Because your feet don't have to suffer to be beautiful!

Sincerely,

Tina Aldatz Norris
